WE-MADURA PLUS

COMBINATION OF IONOPHORE AND CHEMICAL CPOCCIDIOSTAT

WE-Madura Plus is a combination anticoccidial consisting of a chemical nicarbazin and an ionophore maduramicin. The combination is very effective in controlling coccidiosis, particularly in high challenge situations. Birds consistently deliver superior performance, in terms of feed conversion and weight gain, using WE-Madura Plus. It also combines well with other anticoccidials in shuttle and rotation programs. It reduces the number of lesions in the intestines and reduces the incidence of mortality in birds.

Indication: WE-Madura Plus helps in controlling of coccidiosis caused by *Eimeria necatrix*, *E. tenella*, *E. acervulina*, *E. brunetti*, *E. maxima* and *E. mitis* in broiler chicken

Composition: Maduramicin Ammonium 0.75%, Nicarbazine 8%

Mechanism: WE-Madura Plus combines the chemical Nicarbazin and the ionophore Maduramicin and exerts synergistic action for better coccidiosis control

Dosage for Poultry: 500 grams per ton of finished feed or as recommended by nutritionist

Safety: Well tolerated. Ideal for pellet feed.

Withdrawal Period: None under correct administration of the product.

COCCIDIOSIS
WE-MADURA PLUS
COMBINATION OF IONOPHORE AND CHEMICAL COCCIDIOSTAT

Benefits:

- Superior coccidiosis control due to synergy between active ingredients
- Suits well for shuttle and rotation program with other anticoccidials
- Helps protect birds from enteritis and proliferation of the secondary pathogens like *C. perfringens*
- Helps to improve growth, performance & liveability

Usage & Recommendation: Should be mixed uniformly throughout the feed. Must be mixed with other ingredients before administering in the final feed.

Contradiction: Do not mix with other coccidiostats. Do not feed to horses & other equines.

Storage: We-Madura Plus should be stored under 15 degrees Celsius. Protect from direct sunlight which may cause decreased activity of maduramicin.

Presentation: 25 kgs. HDPE bag

*Poultry feed Supplement not for Human Medical Use.
